Japan has received Russia's reply to her latest note, but the official attitude has not been clearly defined. Terrell, of Georgia, the body will lie in state in the Capitol for several days. The funeral exercises will be held in the House of Representatives and speakers prominent throughout the nation will deliver eulogistic addresses. Col. Bennett H. Young, Commanding General, issued an appropriate address yesterday to the veterans of Kentucky, paying high tribute to Gen. Gordon as a man and soldier.

Secretary Hay has sent a reply to the second note of Gen. Reyes, in which the United States again refuses to reopen the Panama question. Gen. Reyes is now ready to leave Washington. There is a suggestion of a reunion of the Panama and Colombian Governments, in which case Panama would be given sovereignty to deal with the canal question.

Dislocated Her Shoulder.

Mrs. Johanna Soderholm, of Fergus Falls, Minn., fell and dislocated her shoulder. She had a surgeon get it back in place as soon as possible, but it was quite sore and pained her very much. Her son mentioned that he had seen Chamberlain's Pain Balm advertised for sprains and soreness, and she asked him to buy her a bottle of it, which he did. It quickly relieved her and enabled her to sleep which she had not done for several days. A WOMAN'S COMPLEXION. It is rank foolishness to attempt to remove sallowness or greyness of the skin by the use of cosmetics, or "local" treatment, as advocated by the "beauty doctors." The only safe and sure way that a woman can improve her complexion is by purifying and enriching the blood, which can only be accomplished by keeping the liver healthy and active. The liver is the seat of disease and blood pollution. Green's August Flower acts directly on the liver, cleanses and enriches the blood, purifies the complexion. It also cures constipation, biliousness, nervousness, and induces refreshing sleep. A single bottle of August Flower has been known to cure the most pronounced and distressing cases of dyspepsia and indigestion. New trial size bottle, 25 cents; regular size, 75 cents. At all druggists.

Cured After 10 Years.

B. F. Hare, Supt. Miami Cycle & Mfg. Co., Middletown, O., suffered for ten years with dyspepsia. He spent hundreds of dollars for medicine and with doctors without receiving any permanent benefit. He says, "One night while feeling exceptionally bad I was about to throw down the evening paper when I saw an item in the paper regarding the merits of Kodol Dyspepsia Cure. I concluded to try it and while I had no faith in it I felt better after the second dose. After using two bottles I am stronger and better than I have been in years, and I recommend Kodol Dyspepsia Cure to my friends and acquaintances suffering from stomach trouble." Resolutions of Respect.

Death has again invaded our ranks and taken from us another brother. There is a vacancy in our midst, a voice in our councils has been silenced and sadness has found place in our hearts.

Slender is the cord that binds a human life to earth. Strong is the cord that closely binds a spirit to our souls.

Bro. D. M. Banks was born Aug. 4, 1861, and died Nov. 9, 1893, at Willard, Ky.

He joined Blaine Lodge No. 292 I. O. O. F. Sept. 28, 1899.

While carrying out one of the greatest commands of our order—"To visit the sick" he contracted the dread disease smallpox and after nine days dreadful suffering his spirit passed to that home whence no traveler has ever returned.

In the prime of life and the vigor of manhood, surrounded by an intelligent family, honored and respected in his community he was taken from us. He was a consistent member of the Christian Church and while on his death bed, he said to his family and friends "weep not for me, but meet me in the great beyond."

Whereas, God in his infinite wisdom has seen fit to call from his earthly labors, brother D. M. Banks, therefore, be it

Resolved, That in the death of Brother Banks our lodge has lost one of its most valuable members and faithful workers, his church a member who was faithful and true, and his home a father and husband sadly mourned.

Resolved, That while we bow resigned to the One who controls our destinies, we extend our deepest sympathies and protection to the bereaved family.

Resolved, That these resolutions be spread upon the minutes of the Lodge, and a copy be sent THE BIG SANDY NEWS, with a request to publish, and a copy be sent the bereaved family.

It Always Pays.

Billy Jones wrote on the blackboard: "Billy Jones can hug the girls better than any boy in school." The teacher, seeing it, called him up. "William, did you write that?"

"Yes, ma'am," said Billy. "Well you can stay after school," said she.

The children waited for Billy to come out, when they began to gush him. "Got licked, didn't ye?"

"Nope," said Bill. "Got fawed?"

"What did she do?" they asked. "Shan't tell," said Bill, "but it pays to advertise."

A FAMILY REMEDY.

Per-na in Use in Thousands of Homes.

Mr. Harry M. Stevens, of Midland Beach, L. I., New York, proprietor of the Richmond Hotel, writes:

"It gives me pleasure to testify to the

value of Per-na. I have used it for years and have found it to be a most excellent family remedy. For colds, catarrh and similar ills, it is unsurpassed."

HARRY M. STEVENS.

John L. Burnett, Member of Congress, Seventh Alabama District, writes:

"I take pleasure in testifying to the merits of your Per-na. At the solicitation of a friend my wife used it, and it improved her condition generally. It is a remarkable remedy. I can cheerfully recommend Per-na as a good, substantial tonic, and a very good catarrh remedy."

Per-na cures catarrh wherever located. Per-na is not a guess nor an experiment—it is an absolute scientific certainty. Per-na has no substitutes—no rivals. Insist upon having Per-na.

If you do not derive prompt and satisfactory results from the use of Per-na, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice free.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

Gov. Beckham's Message.

The principal suggestions for legislation, as embodied in the Governor's message, are these:

That the charitable institutions of the State are in need of smaller appropriations than for some years past.

That while there is in the State Treasury more money than has ever before been in the treasury, yet prudence and economy are advised.

That the schools of reform be placed under a different system of operation, the Governor's idea probably being that they should be placed under the management of the State Board of Prison Commissioners or some such body.

That the crowded condition of the insane asylums makes necessary an appropriation for an addition to one of the present asylums. This would be less expensive than the building of another asylum.

That the Democratic platform demand for uniform school books and for a maximum price to be fixed by statute should be put into execution in the form of a uniform school book law. The Governor thinks that such a measure should and will pass at this session and that it is the most popular measure now before the people.

He suggests that the country pay half of the \$75 per capita now paid by the State for pauper idiots, believing that this would prevent carelessness on the part of country officials and would save from \$150,000 to \$200,000 a year.

He urges that a sufficient amount of money should be appropriated for the erection of capitol buildings commensurate with the dignity of the State. He regards the location of the capitol as settled and believes that this is the proper time for the passage of a Capitol Appropriation Bill.

He urges a proper appropriation to carry out the plan of the Kentucky Exhibit Association for the proper representation of Kentucky at the World's Fair in St. Louis.

The Governor's suggestions are favorably commented upon by the membership of the Senate and House and it is believed that most of them will be crystallized into laws.
